

CELESTE

(Sliding Casement Window)
The Sliding Window that Looks
like a Casement Window

VIMAT
WINDOWS & DOORS

This all PVC Celeste window offers beauty, durability and performance. Its exclusive sliding system mounted on wheels greatly facilitates sash opening and promises years of problem-free use. The Celeste window proposes an excellent price-quality ratio.

- A rigid PVC multi-chamber thermo-fusion welded frame, 114,3 MM (4 1/2") with incorporated "J" return for jamb extension for easy and impeccable installation. No-compromise designs together with the very best performances are associated to this type of window;
- Rigid PVC welded sashes with sealed double-glazed units, 19 MM (3/4") thick, for maximum comfort;
- Secure lock, easy to operate;
- Screen included.
